Dear Dick,

Many thanks for the Dante. I had to solve that one very fast, so I did it by saying it was RFK's parapbrase. For today's workd the paraphrase has more meaning. RFK did use those words.

Check on bullet. Have written. Interesting possibility on rifle. Will sned caroon to source.

Letter from Howard indicates some of my concern not warranted. I think he'll visit us Xmas time.

Nothing else new.
